Please list ALL ingredients that are locally *** produced, and their source:
Ingredient: _____ Source (farm, home garden, etc): _____

Please list ALL ingredients that are NOT locally produced, and their source. Make note of Fair Trade ingredients, as these are preferred:
Ingredient: _____ Source (company, location): _____

*** **A note on the term 'local':** Any item that is produced in our region may be listed as local. If an item is produced in California, or China, but you purchase it at our local supermarket, this is not 'local.'***

What kind of plates, silverware, packaging will you be using?

Please explain any other ways that you plan to provide a local/sustainable product:

The Sustainability Committee will contact you to discuss options for local sources and assist in working towards a more sustainable market. We are here to help!
